What do the Athletic Boosters do?

Our mission is to enhance the experience of our student athletes at Kettering Fairmont High School by providing financial, volunteer and other support to the FHS Athletic Department and the individual sports programs.

How do the Boosters raise money?

Booster funds are generated primarily through membership dues, concession stand profits from our various athletic venues, our annual Craft Show, spirit wear and profits of the Bird's Nest, seasonal sports programs and special projects.

What Programs do the Boosters Support?

The Boosters work with the Athletic Department to provide funding and support for programs that benefit all student athletes, like upgrades to the weight room and training department. We also work with coaches to fund items like uniforms and equipment. We work with our Team Parent Groups to support special events like Senior Nights and banquets. As well, the Boosters award thousands of dollars in college scholarships every year to deserving student-athletes.

How do the Boosters practice financial responsibility?

The Fairmont Athletic Boosters take seriously our responsibility to manage finances. All Board and Booster Representatives who handle money are bonded. Our Treasurer uses procedures for receiving, disbursing, and bookkeeping that are reviewed and approved by our outside accountant. In addition, our books are audited and our taxes prepared by an independent CPA.

The Fairmont Athletic Boosters is a 501(c)(3) organization.
